Content Guidelines Overview

While striving to meet the needs of our advertisers, NCM must also be sensitive to the interests of moviegoers, theatre circuits, and movie studios alike. NCM has established the following guidelines to ensure the FirstLook, LEN, Digital and Lobby Promotion programs promote an entertaining, relaxing atmosphere to enhance the movie-going experience.

NCM Reserves the right, in its sole discretion, to reject, ratings-restrict or request modifications to any ad it deems inappropriate for certain viewing audiences. Therefore, the tone and texture of material must be suitably mild, per the MPAA Ratings standards. Any stylistic approach that presents material in a dark, threatening, frightening, morbid, aggressive, alarming or sexual nature, or depicts alcohol may be deemed inappropriate and may be subject to ratings restrictions.

If your creative has content that you feel may be questionable for all audiences, please bring it to our attention early in the creative process so that we can review and provide feedback. You may send story-boards, rough cuts or demo media for advanced preview.*

In an attempt to be sensitive to our movie patrons, the promotion or inclusion of the following subject matter is prohibited:

- Adult-oriented subject matter, including without limitation, nudity, sensuality, sexual aids, toys, clubs, entertainment, 900 numbers or events
- Promotion of tobacco, tobacco use, including smoke shops, cigar bars, e-cigarettes, vape shops and hookah lounges
- Graphic, disturbing or unattractive medical images
- Obscene or confrontational language
- Promotion of drug use or any illegal activity
- Personal messaging including marriage proposals, anniversaries, birthdays, etc.
- Psychic advertising
- Birth control products, pro-life or pro-choice organizations, campaigns or causes, any mention of abortion counseling or services
- Use of images, photos, logos, video, music or voice-over talent for which the advertiser has not secured all applicable licenses or authorization for in-theatre use
- Use of MPAA banner or any imitation thereof, unless advertiser has received and can provide an appropriate copyright license
- Anything that reflects negatively on circuits, movies or movie-going (i.e., ticket/concession pricing, movie quality, etc.) or anything that may adversely affect attendance
- Products of services that violate any circuit beverage agreements or exclusive contractual relationships, including food or beverage advertising deemed competitive with circuit agreements
- Display of inactive web addresses
- The promotion of firearms, weapons, ammunition, shooting ranges, gun clubs etc.
- Shock advertising or fear campaigns
- Political advertising – the only exception is a generic, non-partisan "get out and vote" message

The promotion or inclusion of the following subject matter will be flagged for review and NCM may require edits:

- Religious ads, except on a local basis, advertising time and location for religious services, events or activities
- Promotion of alcohol or alcohol use
- Support organizations and mention of specific diseases, testing and related medications
- Violence, explosions, or incidental appearance of firearms or weapons
- Promotion of lottery, lotto or gambling will be restricted to PG13 & R ratings
- Drug prevention campaigns will be restricted to PG13 & R ratings

* NCM reserves the right in its sole discretion to (i) reject any ad and, (ii) determine what is acceptable to be displayed within the FirstLook preshow, Lobby Entertainment Network (LEN), and on-site Lobby Promotions within the NCM affiliated theatre network. Please contact your local Account Director if you have additional questions or concerns.
