

Use this one sheet to assist in uploading your media to the NCM digital delivery system.

Accessing the Digital Delivery page

To upload your media:

1. Go to: <https://media.ncm.com/Fathom>
Important: Recommended browsers are Chrome, Firefox, & Edge. You may be required to download Aspera Connect to your computer. Click the **Download Aspera Connect** link, and follow the Install Wizard to ensure that you are able to upload media to NCM.

2. Complete the **Title** field with the name of the spot.

3. Complete any additional fields as applicable.

Note: To receive a confirmation email that the upload was successful, the e-mail address field must be completed.

4. Upload the media by using the Browse feature or the Drag and Drop feature.

5. Click the **Send Package** button to submit the file.

6. A Transfer screen will appear. When the transfer is complete, close the window. The digital delivery homepage now shows the status of the transfer.
